You will be tested on your material to see if you are ready to move up to the next belt rank. Family members are encouraged to come and watch, but please inform them of the rules of the school. The chairs are for your family to sit in. Students testing will be required to sit on the floor. **Sparring gear is required for orange belts and above**, so make sure you have all of your gear, and it is in working order.

[You are required to stay for your entire belt level testing.](#)

Remember: Little Tigers 7yrs and under are required to memorize the CWKC testing verse and all other students must memorize two verses, the one we give you and one you look up yourself. You must relate your personal verse to karate and to your life. If you cannot say your scripture you will have to write it 10x. Start learning them now!

Please do not use this scripture.

Christian Karate motto is: **Philippians 4:13** "I can do all things through Christ who strengthens me."
