

## Welcome

Dear Student,

I would like to personally welcome you into the Chris Welbon Karate Clubs karate family. I hope your decision to begin your path in the martial arts will be as rewarding as mine has been. Karate has literally saved my life on many occasions and enhanced my life and well-being every day. The positive rewards for children, as well as adults, are many and this is why Karate is the perfect lifelong family activity.

As a personal guarantee from all the staff and instructors, we promise to provide the most enjoyable and highest quality martial arts program available today. In addition, our responsibilities don't stop when our students leave the Dojo, and if there is anything we can do to help in other areas please don't hesitate to call. We will be glad to answer any questions you may have as you make this journey in training toward black belt.

Again, I am hopeful that your decision to join Chris Welbon Karate Clubs will help to enhance your life for you and your loved ones.

Sincerely,

Chris Welbon
